MIGUEL **PALAU**
S O F T W A R E   E N G I N E E R

Software Engineer with 10 years of experience.
Having worked with Fortune100 companies and
YC backed startup Cratejoy.
Most recently worked with JavaScript, Python
and GoLang related technologies.
I enjoy solving complex problems and staying
sharp in my skills constantly.
Outside of work I enjoy reading, rock climbing
and meditation as hobbies.
Currently living in Puebla, Mexico

EXPERIENCE

2023 -   **Software Engineer**
Grafana Labs (Remote)

Part of the Enterprise Datasources Squad.
Build and mantain plugins used by enterprise customers that connect data
from different sources to Grafana.
Owner of SAP Hana, Snowflake, MongoDB and Databricks.

2019 - 2023   **Senior Fullstack Engineer**
Cratejoy Inc | Austin, TX USA (Remote)

Diagnosed, designed, built and tested new features from scratch as well as
maintain existing ones.
Increase CVR by setting up automated abandoned cart email campaigns
on Braze and One-Time-Purchase addon products.
Increase AOV by adding new product upsells feature.
Improved Google Pagespeed scores on the homepage, product pages,
category and search pages. (CLS, FCP, LCP, TTFB)
Stack: Flask, ReactJS, Styled-Components, Postgresql, Backbone,
Webpack, Gulp.

2016 - 2019   **Lead Development Engineer**
Pixel2HTML | London, UK (Remote)

Designed and engineered pixel perfect designs for Furtune100 companies.
Ensured SEO and pagespeed metrics were of the highest standards.
Built and mantained Shopify stores, Ionic Mobile Apps (AngularJS),
ReactJS and VanillaJS apps. Styled with SASS, Styled-Components, Stylus.

EDUCATION

2013 - Present   **Self-taught Software Developer**
TeamTreehouse, FreeCodeCamp

Learning while applying the skills on the field allowed me to tighten the
feedback loop in order to progress at a much faster rate than some of
my peers while solving real world problems.

2008 - 2012   **Bachelor in Business Administration**
Tec de Monterrey | Campus Puebla

Having a degree in Business Administration helps me understand the
language and terms used commonly on businesses which helps me stay
focused and in line with the goals of the company I may work with.
